### RAEMIELLE ALICE CALLES

Hi, my name is Raemielle Alice Calles. I have been at Manchester G.A.T.E. for only a couple of months now, and, so far, it is a good school. My home school was Kratt elementary, at my old school I wasn't challenged, so that's why I am at Manchester G.A.T.E! I have three cats and used to have a rabbit, and now I want to get a dog. Me and my mom want a goldendoodle. (Golden-Retriever and poodle) I am 11 years old and going to turn 12 next year in March. My hobbies are gymnastics, swimming, sports, reading, and of course photography.

### Layal Zowidi

My name is Layal and I used to attend Figarden Elementary School until second grade. I came to Manchester in third grade with Mrs. Gatewood who sadly retired last year. I was new so it took a while for me to feel like I fit in. I had Mrs. Scott in fourth grade and I then started the Knitting Club. I also started Beginning Band which we now don't have. It felt good to participate in some things. Mrs. Basham was my fifth grade teacher and I continued going to Knitting Club as well as moving up to Green Band. I already play soccer outside of school, so I didn't try out for many teams. I also started the Kiwanis Kids Club and was helping in many ways. I really got used to everything by then and felt confident about my school. I am currently in sixth grade with Mrs. Paulus. I am in Blue Band and K-Kids. By the way, I played the clarinet since fourth grade and still do. My favorite subjects are writing and reading. Clearly, I love Manchester.

My third grade teacher was Mrs. Barreto. She was an amazing teacher to have for my first year at Manchester Gate. For the clubs that I joined, I did Chamber Orchestra, the Chess Club, and Pinewood Derby. For my fourth grade year, I got the amazing Ms. Wagnon. The clubs that I did that year, was Choir, Advanced Orchestra, and Pinewood Derby. For my second to last year at Manchester Gate, I got Mrs. Basham. This year, I had joined few little extra clubs, including Track. Some of my hobbies at home, include playing the Viola, and photography of course.

## MARIAH JACKSON

My name is Mariah Jackson. I moved from Wolters Elementary to Manchester Gate in 4th grade. At my old school they didn't have very many options of sports or music until about 5th grade. Here at Manchester they offer many extra-curricular activities for everyone. Some clubs I've been in at Manchester are the Chess Club, the Kiwanas Kids, Orchestra, Choir, Zentangle, and of course Photography. I have also played in the noon league sports and hope to play for the basketball team this year. Manchester has offered so many different hobbies and activities for me so I can find more things I enjoy. I am happy to be a Manchester Gater.

#### My Journey

I started Manchester Gate as a second grader. I was then officially a "room 3er." It was an amazing year I had a few friends and would say I understood most topics. I ended up with pretty good grades and ended the year great, not to mention I was new and so was everyone else. Then I went on to 3<sup>rd</sup> grade. Basically, the same thing happened in 4<sup>th</sup> grade until the 5<sup>th</sup> grade. That was my favorite year yet. There were great field trips and I made amazing friends that I would love to keep.

Now I am a 6<sup>th</sup> grader in room 14. I am having a pretty good year so far and would say I have some great friends. I'm in a few clubs and am loving it so far. I've been going to Manchester for about 4 years not including this year. I've been through a long journey and would say I love my school. I hope to end the year with pretty good grades and to just to make it a smooth year. My journey has been long, but worth it.

## Sinaí Rocha Lopez

When I first came to Manchester G.A.T.E. I thought it was going to be like every other school I had been to, but it wasn't. I met many people with the same interests as me. I started going to this school in third grade because I heard that there are many opportunities here. I immediately felt like I was welcome.

I felt so welcome that I decided to stay. I am now a sixth grader. I've been going to Manchester for four years. I have been involved in many activities. After experiencing everything this school has to offer, I'm very glad I made the decision to come to this fantastic school!

## Rachel Parkes

I have been at Manchester Gate Elementary for four years. I love this school and I've loved all my teachers. My favorite teacher would be my third-grade teacher, Mrs. Gatewood, who no longer teaches here. I've always taken the bus and am barely ever picked up. I've participated in multiple Rube Goldberg contests at the school, and won 1<sup>st</sup> and 2<sup>nd</sup> place. I participate in band, I play the saxophone, and currently do vaulting club.

I've seen many of my 6<sup>th</sup> grade friends move on and go to Computech. Both of my siblings are in high school and went to Manchester, and they both are doing very well. I love to do sports but prefer the computer and science labs. My time here has been eventful, and it will be hard to leave.

I love insects and I am not grossed out by them. This is my 5<sup>th</sup> year at Manchester and I have loved all my teachers. I also like science lab and computer lab and feel lucky because most schools do not have that privilege.

Manchester allows students to join a wide variety of clubs. Including, sports, k-kids, chess, knitting, and crocheting, and Photography club. Doing these activities gives you a bigger chance to get block M. You also meet new kids and get some exercise. Manchester is a great school and has won the Blue-ribbon award many times.

My Wonderful Manchester G.A.T.E. Experience

My experience of Manchester G.A.T.E. has been a handful but still was an experience I will never forget. From 2nd through 6th grade I had some expectations and they were met by a mile. In second we had fun festive false trees and marched through the school with our Chinese New Year dragon. In third art was fun every Friday and the field trips were endless. In fourth grade the gold rush was good as gold and the trade fair was fantastic. In fifth grade history was a lot of research but worth it at the end and colonial day was no short of a blast. In sixth grade, which I'm currently in, sixth grade camp was all we could have imagined. It was the smell of the pine, the tasty food, the fun free time activities because there are paddleboats. To all the teachers in the past, present, and future. Mrs. Console, Mrs. Connelly, Ms. Wagnon, Mrs. Harding, and Mr. Gallagher, Mrs. Gratz, Mrs. Wamhoff, Mrs. Lasky, Mrs. Yamamoto, Mrs. Hendrickson, Mr. Painter, Mr. Pullen, Mr. Figura, Ms. Martínez all the staff as well but a special thanks to Mrs. Gengozian and Mr. Sassano, for my wonderful Manchester G.A.T.E. experience.
