

Family Activity: Scavenger Hunt

A scavenger hunt is a fun way to get your hands dirty while looking for the items on the list. Be sure to work together, as some of the items might be difficult to spot.

■ APPROXIMATE TIME TO COMPLETE

45 minutes

■ MATERIALS

Scavenger Hunt Checklist

(see page 133 for the complete list)

Timer

1. Share the scavenger hunt list on page 31 with your team. Consider how you can work together to tackle the list quickly. This is a time challenge, too!

2. Set the timer for 45 minutes and begin.

3. Once the time is up, add up the number of items you found.

MORE TO EXPLORE

Another way to play: You and your team can keep the list handy during the week and take pictures of the items whenever and wherever you find them. Post the craziest pictures (especially the spider eye) to your blog or social media with the hashtag #minecrafterbook.
